5T. This Schwedler Maple replaced the Red Maple Tree that was planted on April 29, 1966 to pay tribute to Governor (1945-1946) and Secretary of State Arnold Williams.

6T. This Oak Tree was planted on April 29, 1971 by the Sons and Daughters of Idaho Pioneers

9T. The original Tree of Guernica was brought to Idaho from the Basque region in northern Spain in 1981; it was planted by representatives of Idaho's Basque community; this one is a replacement. A vandal stole the original and left a weed in its place.

10T. This Sunset Maple Tree was planted in honor of Martin Luther King, Jr. It was donated in 1985 by the Boise and Pocatello branches of the NAACP.

1. This 1906 rough hewn native granite monument to the memory of the old Oregon Trail and the pioneers who blazed it, was paid for by 2,777 school children who collected \$100. In 1984 during re-landscaping it was tipped over and they found a time capsule; all of the papers in it were water damaged and unreadable.

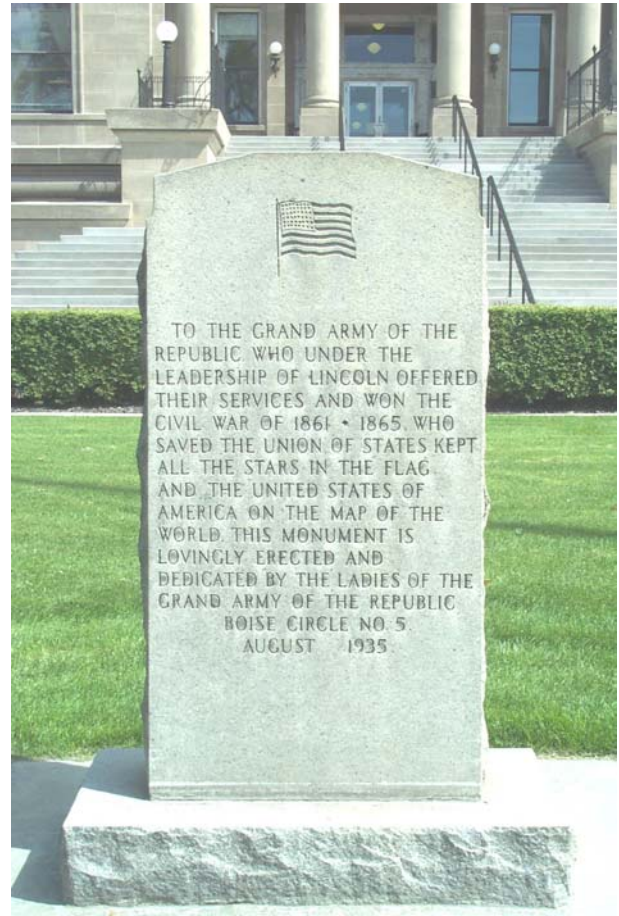

2. The "42 pounder" Sea Coast gun was used during the Civil War at Vicksburg; it was donated to the State of Idaho in May, 1910 with the assistance of Sen. Borah. The barrel is filled with concrete because during Prohibition someone selling whiskey used it as a drop off point. Due to the summer heat, one of the bottles broke before the purchaser picked it up, and illegal whiskey dribbled out of the barrel.

3. Frank Steunenberg, Governor of Idaho 1897-1900 statue, dedicated in 1927.

4. This monument was dedicated on August 23, 1935, by the Ladies of the Grand Army of the Republic.

5. Liberty Bell replica, gift from U.S. Treasury to promote Savings Bonds drive of 1950.

6. Ruth G. Moon (served as State Treasurer 1945-1946 & 1954-1959) Memorial Rose Garden.

7. State of Idaho flowerbed, west grounds.
